### **Worthy Student Scholarship**

The Bozeman Worthy Student Scholarship (WSS) was created to offer incentive and opportunity for Bozeman High School students by furthering their post high school education. Since students can be overlooked by other scholarship sources, WSS, at the recommendation of faculty and counselors, recognizes these individuals by nominating them for a scholarship "spark" so they can continue post high school education.

The faculty and counselors at Bozeman High School nominate seniors who show personal qualities of promise and growth that could be enhanced by this award and who meet the criteria and definition of a worthy student.
