## 1.04 SMS Standards Based CIA

Action Plan Projected Completion Date: June 2011	Leaders: Gordon Grissom, Joe Moriarty Team Members: LeAnne Yenny, Sally Bell, Anne Keith
--	---

Strategic Objective (SO): 1.04 Implement the Action Plan for Standards-Based Curriculum, Instruction, and Assessment based on the timelines set in that Action Plan.

**Evaluation Plan:**  
When averaging all scores in grades six, seven and eight, 95% or more of SMS students will demonstrate proficiency or higher abilities on state or local tests.

**Best Practice Investigation:**  
Teachers and administrators will fully implement planning and instruction based on district and state-wide standards and their aligned assessments.

<b>Action Steps</b> What actions will be taken to achieve this SO? Include what staff may need to learn to accomplish this SO.	<b>Who?</b> Who will be responsible for what actions?	<b>Timeframe</b> What is a realistic timeframe for each action?
1. Administrators and teachers will develop full understanding of the implications of standards on curriculum, instruction, assessment and classroom management.	1. Administrators, teachers, CIA Committee members	1. 2009-2011
2. Teachers and administrators will collaborate with other district staff to align curriculum based on state and national standards at each grade level.	2. Content-area CLTs	2. 2009-2011
3. Essential understandings will be delineated and aligned between grades 5-9.	3. Content-area CLTs, SMS administrators and teachers	3. 2009-2010
4. Formative and summative assessments will be developed collaboratively based on standards in each content area.	4. Content-area CLTs, SMS administrators and teachers	4. 2009-2011
5. Teachers will identify and communicate fundamental learning targets in their instruction and feedback to students.	5. Teachers	5. 2009-2011
6. Formal and informal communication to students and parents regarding student learning will be based on standards (i.e. standards-based report card).	6. CIA Committee members, CLT members	6. 2012

In a year, we hope to see the following progress on this strategic objective:

- Essential understandings, based on standards, will be embedded in each content area;
- Common use of standards-based learning targets in planning, instruction, classroom assessments;
- Summative common assessments, based on standards, will be implemented in math, writing and science at each grade level.
