

BSD#7 LRSP Strategic Objective ACTION PLAN: 2010-11

1.13 CJMS Technology Proficiency

Action Plan Projected Completion Date: 6/14	Leader: CJMS Principal/Assistant Principal Team Members: Information Skills Teachers
---	---

Strategic Objective (SO): 1.13 All students, by graduation, demonstrate proficiency in technology as measured by the District technology assessment or successful completion of IT Essentials.

Evaluation Plan: (Describe steps you'll take to determine if you've reached your strategic objective.) All sixth grade students will take the district technology assessment at the end of their Information Skills class. All eighth grade students will complete the state mandated technology assessment.

Best Practice Investigation: (What information is uncovered looking at best practice in relation to your strategic objective?) CJMS teachers will research and implement instructional best practices that will result in developing effective technology strategies.

Action Steps	Who?	Timeframe
What actions will be taken to achieve this SO? Include what staff may need to learn to accomplish this SO.	Who will be responsible for what actions?	What is a realistic timeframe for each action?
1. Enroll all sixth grade students in a six-week Information Skills class. Assess students at the end of each class using district technology assessment.	1. Information Skills Teacher	1. Throughout 2010, 2011, 2012, 2013, and 2014
2. Enroll any seventh or eighth grade student, who was not proficient on district technology assessment, in an information skills class or technology class and reassess students after the class.	2. Administrators and Counselors	2. Throughout 2010, 2011, 2012, 2013, and 2014
3. All eighth grade students will complete the state mandated technology assessment as directed by the state.	3. Building Administration and Counselors	3. Throughout 2010 - 2015
4. All teachers teach technology vocabulary within their curricular area.	4. All staff	4. Throughout 2010, 2011, 2012, 2013, and 2014.
5. All teachers will incorporate technology into their academic units.	5. All staff	5. Throughout 2010 - 2015

In a year, we hope to see the following progress on this strategic objective: Our 2010-11 goal is to have 100% of students performing at P+ level on the district technology assessment.
