

# BSD#7 LRSP Strategic Objective ACTION PLAN: 2010-11

## 1.13 MOST Technology Proficiency

Action Plan Projected Completion Date: Spring 2013	Leader: Mr. Schmidt Team Members: Siegel, Crosby, Jeffers, Harrison, Dewolf, Rassumussen, Young
----------------------------------------------------	----------------------------------------------------------------------------------------------------

Strategic Objective (SO): 1.13 All students, by graduation, demonstrate proficiency in technology as measured by the District technology assessment or successful completion of IT Essentials.

Evaluation Plan: (Describe steps you'll take to determine if you've reached your strategic objective.) An average of 80% of students in 5<sup>th</sup> grade will perform at the Proficient level or better on the district technology assessment by the Spring of 2010. Teachers will also become proficient in the technology skills required to teach elementary students.

Best Practice Investigation: (What information is uncovered looking at best practice in relation to your strategic objective?) Technology can be used as a tool to more efficiently differentiate instruction to connect with all learners.

Action Steps	Who?	Timeframe
What actions will be taken to achieve this SO? Include what staff may need to learn to accomplish this SO.	Who will be responsible for what actions?	What is a realistic timeframe for each action?
1. Continue to analyze the district technology standards to determine the concepts that need to be taught in grades K-5	1. Tech Committee & teachers	1. Annually
2.. Provide professional development on how to use spreadsheets effectively across curricular areas.	2. Tech Committee	2. 2010-2011
