Strategic Objective (SO): 4.01 Develop and implement Foundations action plan designed to decrease behavior infractions, reduce alcohol, tobacco and other drug usage, and increase positive school and district climate.

Evaluation Plan: (Describe steps you'll take to determine if you've reached your strategic objective.) At least 90% of the students and staff at Morning Star will feel safe at school, in the classroom, in common areas, and on the playground

Best Practice Investigation: (What information is uncovered looking at best practice in relation to your strategic objective?) Students do better when the entire school community knows, understands and reinforces the commonly held expectations for behavior.
