BSD#7 LRSP Strategic Objective ACTION PLAN:
1.04 IR Technology Productivity 2011-12

Strategic Objective (SO): 1.04 Use technology to improve productivity and learning opportunities.
Topic of Strategic Objective (SO) e.g., Math, PEAKS, etc.: Technology

Leader: Building Principal, Tech Mentor, and Instructional Coach **Team Members**: Irving Staff	**Action Plan Projected Completion Date**: Spring 2012

Evaluation Plan: *Describe steps you will take to determine if you have reached this strategic objective.* In order for students to demonstrate proficiency in the Bozeman School District's Technology standards, Irving teachers will continue to be trained in best practices on teaching these standards to their students. We will also continue to address the technological needs found at Irving School.	**Best Practice Investigation**: *What information is uncovered looking at best practice in relation to this strategic objective.* Staff members will continue using Google Docs, Moodle, and other hardware/software on a consistent basis. The technology provided at Irving will provide opportunities for students to study and perform at the Quadrant D level. The technology and learning opportunities for technology found at Irving is comparable to other elementary schools in the district

Action Steps What actions will be taken to achieve this SO? Include what staff may need to learn to accomplish this SO.	**Who** Who will be responsible for what actions?	**Timeframe** What is a realistic timeframe for each action?
1. Provide Professional Development Opportunities for Irving's staff on technology so that they can teach students concepts in the Rigor, Relevance, and Relationships (Quadrant D) Framework.	1. Building Principal, Instructional Coach, Tech Mentor.	1. Spring 2012
2. Provide Professional Development Opportunities for the teachers on our district's technology standards.	2. Building Principal, Instructional Coach, Tech Mentor.	2. Spring 2012
3. Provide Professional Development Opportunities for the staff to be more proficient in the use of technology (hardware, software, peripherals) at Irving School.	3. Building Principal, Instructional Coach, Tech Mentor.	3. Spring 2012
4. Continue to use Moodle as a teacher resource.	4. Irving Staff	4. Fall 2011
5. Use Google Calendar to assist in planning intervention meetings, staff meetings and professional learning communities so that all staff members have a common form of communication.	5. Irving Staff	5. Fall 2011
6. Provide access to technology (digital presentors, projectors, laptops, etc.) for all staff members in order to meet the needs of teaching Quadrant D level concepts and creating RtI systems.	6. Building Principal	6. Spring 2012

Progress expected by the end of the year: By May 2012, 100% of our classroom teachers will use some form of technology as a tool to teach our students at least one Quadrant D lesson.
