

# BSD#7 LRSP Strategic Objective ACTION PLAN:

## 1.07 HY College and Career Ready 2011-12

**Strategic Objective (SO):** 1.07 Prepare all students to be College and Career Ready using 21<sup>st</sup> Century Learning and Teaching.

**Topic of SO, e.g., Math, PEAKS, etc.:** Instructional Best Practices

**Leader:** Building Principal and Instructional Coach

**Team Members:** Hyalite Staff

**Action Plan Projected Completion Date:**

Spring 2012

**Evaluation Plan:** Describe steps you will take to determine if you have reached this strategic objective.

1. Certified staff members will share a Quadrant D lesson experience at staff meetings.
2. Certified staff will increase the use of Understanding by Design when developing lessons
3. Certified staff will develop writing lessons that integrate with other content areas

**Best Practice Investigation:** What information is uncovered looking at best practice in relation to this strategic objective.

Effective school research shows that when Understanding By Design is used to help teachers plan instruction by beginning with the standards, planning assessment and then lessons, achievement increases. Technology integration and differentiation practices also support student academic growth in the research.

| Action Steps                                                                                                                                                                                                                                                                                  | Who                                                 | Timeframe                                      |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------|------------------------------------------------|
| What actions will be taken to achieve this SO? Include what staff may need to learn to accomplish this SO.                                                                                                                                                                                    | Who will be responsible for what actions?           | What is a realistic timeframe for each action? |
| 1. During scheduled staff meetings each grade level PLC will work on creating a unit or lesson using UbD and Quadrant D learning in order to guide our students in real life, unpredictable situations as well as guiding our teachers to combine standards from all content areas in lessons | Principal and Instructional Coach                   | 2011-12 School Year                            |
| 2. Teachers will work with Instructional Coach to include Quadrant D model into lesson planning.                                                                                                                                                                                              | Certified Staff and Instructional Coach             | 2011-12 School Year                            |
| 3. School schedule will support teacher collaboration.                                                                                                                                                                                                                                        | Principal                                           | On Going                                       |
| 4. Increase collaborations with local resources in all content areas                                                                                                                                                                                                                          | Principal, Instructional Coach, and Certified Staff | On Going                                       |
| 5. Integrate writing Core Curriculum within all content areas                                                                                                                                                                                                                                 | Certified Staff and Instructional Coach             | 2011-12 School Year                            |

**Progress expected by the end of the year:**

Increase of understanding and using of; Understanding by Design (UBD) Framework, Quadrant D Model, and Writing Common Core by certified staff.
