

BSD#7 LRSP Strategic Objective ACTION PLAN: 4.01 OP School Environment 2011-12

Strategic Objective (SO): 4.01 Create safe, supportive, engaging and healthy school environments.
Topic of Strategic Objective (SO) e.g., Math, PEAKS, etc.: Transportation

Leader: Vance Ruff Team Members: Asst. Supt. For Business & Operations (Steve Johnson) Contract Manager - First Student (Stacy Roberts)	Action Plan Projected Completion Date: Ongoing
--	--

Evaluation Plan: Describe steps you will take to determine if you have reached this strategic objective. Communication with School Administrators, Students, Parents and bus contractor.	Best Practice Investigation: What information is uncovered looking at best practice in relation to this strategic objective. Communication with Helena and Billings. At this time no new information.
---	--

Action Steps What actions will be taken to achieve this SO? Include what staff may need to learn to accomplish this SO.	Who Who will be responsible for what actions?	Timeframe What is a realistic timeframe for each action?
Continue executing communication plan on evaluating school bus environment. Continue making changes to help improve this environment and routing efficiency.	Vance Ruff	On-going throughout the school year.
Continue meeting with First Student on training evaluations and student management procedures. Continued effort of expanding in school programs for students. Continue working with schools utilizing news letters and working with local media to assist communicating with the public.	Vance Ruff	
Work with administrators and First Student on safe routes to school and possible "walking school buses" for non-bus riders.	Vance Ruff	

Progress expected by the end of the year: A continued effort of a positive perception for students and parents about the school bus environment. Continued effort of building a positive, proactive reputation for the public between our students, schools and school bus contractor. Continue making the school bus a viable option for student transportation for those who need it and improve the safety for students walking.
