

BSD#7 LRSP Strategic Objective ACTION PLAN:

3.01 BHS Transparency/Accountability/Communication 2012-13

Strategic Objective (SO): 3.01 Enhance District transparency, accountability, and communication with our community.

Topic of Strategic Objective (SO) e.g., Math, PEAKS, etc.: Enhance practices already in place that will more effectively improve transparency, accountability and communication with our community.

Leader: BHS Administrative Team
Team Members: Teachers, Technology Services, Community members

Action Plan Projected Completion Date:
 Ongoing

Evaluation Plan: *Describe steps you will take to determine if you have reached this strategic objective.* Enhance reporting that helps various audiences understand Bozeman High School activities, goals, and planning throughout the school year by making information as available as possible. In anticipation of the requirements of the new State accreditation model, this is an area of focus for us.

Best Practice Investigation: *What information is uncovered looking at best practice in relation to this strategic objective.* Research shows that effective communication builds better trust from our stakeholders.

Action Steps What actions will be taken to achieve this SO? Include what staff may need to learn to accomplish this SO.	Who Who will be responsible for what actions?	Timeframe What is a realistic timeframe for each action?
1. Work with Technology Services to update and improve the Bozeman High School website.	1. Administrative Team, Technology Services	1. Fall 2012
2. Familiarize students, parents and staff of the Bridger Program with the AIM reporting system so all can monitor student progress at all times.	2. Bridger Program Teachers	2. Fall 2012
3. Form advisory committees in each department to enhance communication between the community and the school.	3. Administrative Team and Department Heads	3. Spring 2013
4. Encourage effective use of data by our teachers that best shows where their students are and where they need to be in the future. For this to be possible, teachers need to learn to effectively use the technology available in our district. We will begin offering professional development to teachers through the 2012-13 school year where appropriate.	4. Administrative Teams at the building and district level	4. On-going beginning in the 2012-13 school year
5. Become acquainted with the new AdvancED accreditation model. Community engagement is one of their five pillars.	5. Administrative Team	5. Fall 2012 and on-going.

Progress expected by the end of the year: We expect to have a new BHS website up and operating by the middle of November, and we will begin professional development for teachers interested in using the technology available to them by the end of the school year. We will also have begun implementing components of the AdvancED accreditation model into our staff professional development.
