Topic of Strategic Objective (SO):

Department/School: Irving Elementary

Leader: Building Principal and Instructional Coach

Team Members:

Irving Staff

In a year, we hope to see the following progress on this strategic objective:

There will be an increase in certified staff understanding and use of the UbD Framework and Quadrant D Model.

PROGRESS SUMMARY

With the exception of two staff meetings this year, professional development on Quadrant D was imbedded into the agenda. Community resources such as Project Archaeology and MOSS were used to assist in the teaching and learning of this framework. Furthermore, every building early release focused on a combination of Quadrant D, Response to Intervention, and UbD.

As a staff, we will continue to build our understanding on the Quadrant Model and relate it to the new Common Core Standards in English Language Arts and Mathematics. This professional development will be imbedded into our building early release times and staff meetings.
