In a year, we hope to see the following progress on this strategic objective:

All certified staff members will share a Quadrant D lesson experience at a staff meeting.

PROGRESS SUMMARY

All classroom teachers were presented with the Rigor & Relevance Framework and information that comprised the different Quadrants, A., B., C., & D. All classroom teachers shared information at a staff meeting with their peers about Quadrant D lessons. They planned and sought out their input/considerations to improve lessons using Quadrant D learning experiences.

The instructional coach worked with teachers on Architecture of a Lesson and greater understanding of all four Quadrants and their place in helping students learn.
