In a year, we hope to see the following progress on this strategic objective:

The percentage of students reporting being bullied at Emily Dickinson will be reduced by 3% as determined by the Foundations Survey by May 2012.

PROGRESS SUMMARY

All staff were trained in a limited version of the Olweus Bully Prevention Program on September 21, 2011. This was before Trustees officially approved the program. We continued to follow up with reviews on how to respond to student reports of bullying. Our school psychologist, Natalie Young, led the follow-up reviews and question/answer times at staff meetings.

An expanded Foundations Team received training from Laura St. John on the Olweus Program on 2-7-12. Because we switched from the Foundations Survey for students to the Olweus Bully Questionnaire, we do not have comparative data. Our Bully Questionnaires will be completed by June 1, 2012, so we will have that data for our fall board report.
