

## **LRSP Status Report – June 2011**

### **1.02 C&I P+ Reading, Math, Writing & Science SR 2011**

#### **Strategic Objective (SO):**

1.02 Proficient Plus (P+) goals will be determined in Math, Reading, Science and Writing based upon district and state assessments, with future development in other academic areas.

**Department/School:** Curriculum & Instruction

**Leader:** Marilyn King, Asst. Superintendent

#### **Team Members:**

Central Office Curriculum Team

#### **In a year, we hope to see the following progress on this strategic objective:**

Establishment of P+ goals at the system (district) level and school levels and for all disaggregated groups in reading, math, and writing. Incremental gains in the AMO for math, reading (as indicated by the CRT) and science (grades 4, 8, and 10, as indicated by the CRT) and writing (as indicated by district assessment).

#### **PROGRESS SUMMARY**

P+ goals were established in reading, writing, math and science. Standards-based district assessments in science were revised.

Measurable progress toward Annual Measurable Objectives (CRT scores) for students in the Novice and Nearing Proficient ranges are determined annually at both the District and the school levels after Spring CRT scores are released.
