

LRSP Status Report – June 2011

1.02 CJMS P+ Science SR 2011

Strategic Objective (SO):

1.02 Proficient Plus (P+) goals will be determined in Math, Reading, Science and Writing based upon district and state assessments, with future development in other academic areas.

Department/School: Chief Joseph Middle School

Leader: CJMS Principal/Assistant Principal

Team Members:

CJMS Science Teachers

In a year, we hope to see the following progress on this strategic objective:

Our goal is to have 87% of CJMS students proficient as measured on the Science CRT.

PROGRESS SUMMARY

1. Examined the LRSP at fall staff meeting; providing the connection with our district Goals and our scores on the Science CRT.
2. Examined the released science CRT questions from previous years in Science PLC meetings.
3. Identified high ability students and placed students in Science ACCESS classes. This was altered mid-way through the year when we converted our ACCESS classes to PACE classes. Letters were sent home to all parents of students in Science ACCESS classes, to inform parents of the change. Parents were given the option of opting to keep their students in Science ACCESS. Some parents kept their children in science ACCESS, while others allowed their children to attend PACE classes of choice.
4. ACCESS students competed in Science Olympiad and Science Fair.
5. Science teachers met on a monthly basis to focus on student achievement in science during Science PLC meetings.
