

LRSP Status Report – June 2011

1.02 EMDI P+ Math SR 2011

Strategic Objective (SO):

1.02 Proficient Plus (P+) goals will be determined in Math, Reading, Science and Writing based upon district and state assessments, with future development in other academic areas.

Department/School: Emily Dickinson Elementary School

Leader: Sharon Navas, Robin Arnold

Team Members:

All staff

In a year, we hope to see the following progress on this strategic objective:

Move from 83% proficient in grades 3, 4 and 5 to 84% proficient or above on the MontCAS CRT by 2011.

PROGRESS SUMMARY

During the 2010-11 school year staff reviewed assessment data including CRT in grades 3-5, easyCBM scores, mid-year math scores, EM unit assessments and formative assessment data. Teachers in grades 3-5, along with math paras and instructional coaches, utilized the CRT released items to prepare for the 2011 administration of the CRT and most staff continue to use EM computer based games to enhance direct instruction in mathematics. All staff, in their grade level and focused PLCs, accessed the Emily Dickinson databoards to review multiple data points and inform student placement in flexible groups within classrooms, identify appropriate supplemental materials and provide support for those students working toward proficiency. This support included before and after school small group instruction with both math paras. These efforts have resulted in 86% of our 3rd, 4th and 5th grade students achieving P+, exceeding our goal of 84% P+ on the MontCAS CRT.
