Department/School: Longfellow Elementary School

Team Members:

Instructional Coach, Teaching Staff

In a year, we hope to see the following progress on this strategic objective:

1. Increase the number of teachers requesting support from the Instructional Coach to 100% during the 2010-11 school year.
2. Include the Instructional Coach in staff meeting presentations of RtI material and expansion of “Writing Process” activities among teachers (based on work by Lucy Caulkins).

PROGRESS SUMMARY

1. Longfellow made progress toward its goals of increasing staff involvement with the Instructional Coach (IC). All teachers at Longfellow have benefited from the involvement of our Instructional Coach. Best practice discussions and information sharing by IC, Kim Quigley, have helped all staff build capacity and awareness. Direct, classroom involvement continues to build.
2. Longfellow's IC was able to support all teachers in developing the writing process at each grade level. Data is currently being collected on effectiveness of the writing process through the End of the Year Writing Sample.
