**Team Members:**

Hawthorne Staff

#### **In a year, we hope to see the following progress on this strategic objective:**

100% of Hawthorne's Classrooms will utilize the mobile computer lab. Hawthorne School will establish a Hawthorne School Moodle Site and have one paperless staff meeting.

#### **PROGRESS SUMMARY**

Our entire team used the mobile computer labs and ELMOs. An ELMO digital presenter supports multiple learning styles and provides a platform for sharing, collaboration, and comprehension. With a Lowe's Toolbox Grant awarded to Hawthorne School, it will be possible for all classrooms to have an ELMO and LCD projector in the fall of 2011. A daily e-mail is sent out from the Hawthorne Office to inform parents and staff of upcoming events and important information. This spring, Hawthorne Staff began posting documents to share using Google Documents, reducing paper copies. Hawthorne's June Staff Meeting was paperless.
