

LRSP Status Report – June 2011

2.16 Oper Options for Use/Disposal of East Willson SR 2011

Strategic Objective (SO):

2.16 Investigate Options/Receive Decision from Board of Trustees Regarding Disposition of East Willson.

Department/School: Operations

Leader: Director of Facilities (Kevin Barre)

Team Members:

(Building Systems Energy Manager (Richard Parker) and LRFP Committee

In a year, we hope to see the following progress on this strategic objective:

Analyze and update previous repair reports, investigate alternative uses including potential for satisfying District needs and present recommendations to the Board with respect to the disposal of East Willson.

PROGRESS SUMMARY

The District applied for and received a \$7,200 Tax Increment Fund (TIF) grant from the Bozeman Downtown Association to help fund the analysis of East Willson. Comma-Q Architects is the approved consultant for this work. The District is also exploring a Quality Schools Planning Grant to provide other funding opportunities. Various East Willson information is being gathered and a meeting with Comma-Q will be scheduled this summer to begin the information update.
