3.04 CE Educational Partnerships SR 2011

Strategic Objective (SO):

3.04 Bozeman Public Schools will seek to enhance, recognize and increase Educational Partnership opportunities.

Department/School: Community Education

Leader: Marilyn King

Team Members:

Byrdeen Warwood, Adult Education staff

In a year, we hope to see the following progress on this strategic objective:

Ongoing, growing, and vibrant community partner "memberships"; successful professional development for personal growth and development for adult ed instructors, and community members; and solid instructional community ed offerings that result in full classes with engaged community students.

PROGRESS SUMMARY

--Participation between Adult Ed and a variety of community partnerships promotes "goodwill" and active sharing of ideas for school/community awareness and growth.

--The annual professional development for adult ed instructors conducted early in the school year encouraged instructors to apply professional development materials to their growth in teaching adult ed classes.

--Fewer community ed classes offered but with higher enrollment in each class; class evaluations indicate satisfied students along with ideas/suggestions for future class offerings.
