

LRSP Status Report – June 2011

4.01 MOST Foundations Plan SR 2011

Strategic Objective (SO):

4.01 Develop and implement Foundations action plan designed to decrease behavior infractions, reduce alcohol, tobacco and other drug usage, and increase positive school and district climate.

Department/School: Morning Star Elementary School

Leader: Heidi Vestman

Team Members:

Forbes, Dejarlais, Dover, Close, Hall, Chrisman, Vecca, Curtice

In a year, we hope to see the following progress on this strategic objective:

We will give the foundations survey to students and staff at Morning Star to determine the level of safety that exists at the school.

PROGRESS SUMMARY

This Action Plan was reviewed periodically throughout the school year. A final review was conducted by the leader in June to review progress made and look forward to the 2011-12 revision.

Survey Results:

In response to the statement on the parent survey, “I believe that my child is safe at school”, 0% responded “not at all”, 1.5% responded “a little”, 36.4% responded “most of the time”, and 62.1% responded “all the time.” In response to the statement on the parent survey, “My child feels bullied or threatened at school,” 65.2% responded “not at all,” 31.8% responded “a little,” 3% responded “most of the time,” and 0% responded “all the time.”

Throughout the year staff members used common language with students and enforced school rules consistently throughout campus. Mrs. Hall posted our Communication Still and Essential 55 focus for each week in a common area and emailed all staff members a reminder each week about the skills we were all working on. Our school counselor, Ms. Chrisman, taught our anti-violence and anti-bullying programs, Second Step and Steps to Respect, in every classroom throughout the year. Our district behavioral consultant, Shawna Heiser, came to one of our extra hours meetings this year to make a presentation on how best to handle the most difficult behavioral challenges among students. Throughout the year behavior was tracked by the referral process. Additional information was obtained as parents and students were surveyed via Survey Monkey regarding the level of safety at school. This information will be used to identify focus area for our 2011-12 Foundations Action Plan.
