4.02 C&I Safety Policy and Procedures SR 2011

Strategic Objective (SO):

4.02 Continue to develop and implement safety policy and procedures that provide students and staff a safe, secure setting, in, around and on the way to school.

Department/School: Curriculum and Instruction

Leader: Marilyn King, Assistant Superintendent

Team Members:

SRO Team; Kirk Miller, Superintendent

In a year, we hope to see the following progress on this strategic objective:

A functional Interdisciplinary Team

Approval for presentations at various venues, including NASRO.

PROGRESS SUMMARY

- A robust performance management system was purchased. The rollout is planned for the 2011-12 school year.
- A District Foundations committee met monthly to discuss issues and trends related to discipline.
- All policies related to discipline were updated.
- The Interdisciplinary Team agreement was reviewed and is in the process of being revised.
- This spring, both a new DARE officer and SRO were hired.
- Due to budget scarcity, district personnel will not attend NASRO this year. A team of administrators and SROs attended NASRO last July.
- AEDs were provided to all schools. Policies were revised and school-specific procedures were added. Training was provided to all schools.
- The Emergency Manual was put on GoogleDoc and will be made available to schools in late spring, 2011.
- Bus drivers received training in safety procedures.
- School staff provided the opportunity for CPR and First Aid training
- SRO MOU was revised.
